<b>total wetland impacts in LRRWMO requiring replacement (acres)</b>	<b>17.36</b>
<b>total wetland replacement within LRRWMO (acre credit)</b>	<b>13.14</b>
<b>total wetland replacement outside of LRRWMO, but within Major Watershed #21 Rum River (acre credit)</b>	<b>2.02</b>
<b>total wetland replacement outside of Major Watershed #21 Rum River (acre credit)</b>	<b>15.41</b>
<b>total loss of wetland within LRRWMO (including exempt impacts)</b>	<b>5.44</b>

There are currently no wetland bank sites within the Rum River Watershed #21.

There are several bank site within the same Bank Service Area #7, many of which are within Anoka County.

Several opportunities for potential wetland bank sites exist within the LRRWMO.

Two sites were previously considered, however these sites have not yet been established:

Oakwood Land Wetland Bank	Ramsey	2012-01	LRRWMO approved wetland bank plan 9/14/2012, applicant never followed through with it
Andover Wetland Bank	Andover	none	pre-application meeting and TEP findings prepared, applicant never followed through with bank application
