 - (2) Real Property. The Commission shall not own any interest in real property. All interests in lands shall be held in the name of the Member wherein said lands are located. - (a) Development. Each Member agrees to develop and maintain a Local Water Plan, capital improvement program, and official controls as necessary to bring local water management into conformance with the Watershed Management Plan. The development and implementation of Local Water Plans shall conform with all requirements of the Act, including Minn. Stat. § 103B.235 and Minn. R., part 8410.0160. In accordance with the Act, the Board shall approve or disapprove each local plan or any parts of each plan.

- (b) Review. Each Member shall submit its proposed Local Water Plan to the Metropolitan Council and the Board for review as required by Minn. Stat. § 103B.235. The Board shall consider any comments on the Local Water Plan received from the Metropolitan Council and shall act on said plans in accordance with the Act.

4.4 Pollution Control and Water Quality. The Commission shall have the authority and responsibility to protect and improve water quality in the Watershed as this is one of the main purposes set forth in the Act. All Members agree that they will refuse to allow the drainage of sanitary sewage or industrial wastes onto any land or into any watercourse or storm sewer draining into the Watershed. The Board may investigate on its own initiative, or request a Member to investigate, a complaint relating to pollution of surface water or groundwater draining into or affecting the Watershed. If the Board determines the Watershed is being polluted by an identifiable source, the Board may order the Member to abate this nuisance and each Member agrees that it will take all reasonable action available to it under the law to alleviate the pollution and to assist in protecting and improving the water quality of surface water and groundwater in the Watershed.

4.5 Boundary Changes. Any changes to the boundaries of the watershed shall be undertaken in accordance with Minn. Stat. § 103B.215.

SECTION V PROJECTS

5.1 CIP Projects and Limitations.

- (a) Approval. The Board may approve and authorize the carrying out of CIP Projects to further the purposes of the Watershed Management Plan.
- (b) Cross Boundaries. No project that will channel or divert additional waters to subdistrict and subtrunks that cross municipal boundaries shall be commenced by any Member prior to approval of the Board of the design of an adequate outlet or of adequate storage facilities.

5.2 Process for CIP Projects. The process for undertaking a CIP Project is as follows.

- (a) Initiation. A CIP Project may be proposed by a Member or by the Board based on subwatershed assessments, lake/stream resource assessments, inspections, or a particular need or issue identified by a Member or the Board. The Board shall not order a CIP Project, and no engineer shall be authorized by the Board to prepare plans and specifications, before the Board has adopted a resolution ordering the CIP Project.
- (b) Feasibility Study. If requested by the Board, the Commission Engineer shall study the feasibility of a proposed CIP Project and report its findings to the Board.

The report shall include an opinion of probable cost and how the project would be funded. The Board shall consider the feasibility study and decide whether to proceed with the proposed project.

(c) Plan Amendments. Proposed CIP Projects are amended into and made part of the Watershed Management Plan. The process the Commission must undertake to amend a CIP Project into the Watershed Management Plan depends on whether it constitutes a minor plan amendment or a major plan amendment as described below.

(1) Minor Plan Amendment. The addition of a proposed CIP Project to the Watershed Management Plan typically constitutes a minor plan amendment that can be accomplished following the process set out in the Watershed Management Plan and Minn. R., part 8410.0140, subpart 2. A public hearing is not required for a minor plan amendment.

(2) Major Plan Amendment. If a proposed amendment does not qualify as a minor amendment, the Commission must undertake the major plan amendment process to add the CIP project to the Watershed Management Plan. The major plan amendment process is set out in the amendment section of the Watershed Management Plan, Minn. Stat. § 103B.231, subd. 11, and Minn. R., part 8410.0140. The public hearing required under Minn. Stat. § 103B.231, subds. 11 & 7(c) for a major plan amendment may be held in conjunction with the public hearing required to request the County to levy funds for the project under Minn. Stat. § 103B.251, subds. 3 & 4, provided the requirements of both procedures can be satisfied at the single hearing.

(d) Public Hearing. If the Board proposes to pay any portion of a CIP Project with funds to be raised through a County levy under Minn. Stat. § 103B.251, the Board must call and conduct a public hearing as provided in the statute and this paragraph. A public hearing is not required if the CIP Project is funded entirely from funds on hand, grants, or a combination thereof, and does not require the Board to certify any project costs to the County to be levied under Minn. Stat. § 103B.251. When a public hearing is required, it shall be conducted in accordance with the following.

(1) Calling. The Board must act by motion or resolution to call a public hearing on the proposed CIP Project. The Board shall set the date, time, and place for the public hearing.

(2) Notice. The Board shall provide notice of the public hearing in accordance with Minn. Stat. § 103B.251, subd. 3.

(3) Conducting. The Board shall conduct the public hearing at the scheduled date, time, and place to hear from the public and to consider the proposed CIP Project. Prior to taking public comment, the Commission Engineer

shall provide a brief overview of the proposed CIP Project, an estimate of project cost, and a description of how the project will be funded.

- (4) Board Decision. Once the public input portion of the public hearing is closed, the Board shall discuss and decide whether to approve the proposed CIP Project. The Board shall act by resolution to approve a CIP Project, which shall require a favorable vote by two-thirds of all eligible votes of the then existing Commissioners. The resolution shall, at minimum, order the project, identify the responsible engineer, identify the Member responsible for letting the contract and overseeing construction, set out the estimated cost and funding sources, authorize the Commission to enter into a cooperative agreement with the responsible Member, and certify a levy to the Anoka County Auditor for the amount to be levied by the County for the project.

5.3 Responsible Members. The Board shall work with one or more Members to facilitate the completion of specific CIP Projects within their jurisdictional boundaries in accordance with the Watershed Management Plan. For any project that will be constructed by one or more Members and reimbursed by the Commission, to the extent authorized by the Commission, the Member(s) responsible for implementing the project shall enter into a cooperative agreement with the Commission providing for all Commission-required terms and conditions related to the project and any such reimbursement. If any portion of the project is funded by a grant obtained by the Commission, the cooperative agreement shall include a subgrant agreement requiring the responsible Member to be responsible for complying with the applicable terms and conditions of the grant agreement. The terms of this paragraph shall also apply to any Commission project that may be constructed by any other entity, public or private, if construction by such entities is deemed appropriate by the Commission.

5.4 Contracts for Improvements.

- (a) Letting Contracts. All contracts for projects ordered by the Commission shall comply with the requirements of laws applicable to contracts let by the respective Member making such contract. The Commission shall not have the authority to contract in its own name for any work for which a special assessment will be levied against any private or public property under the provisions of Minn. Stat., chap. 429 or any city charter, and such contracts shall be awarded by action of the City Council of a Member and shall be in the name of said Member. This subsection shall not preclude the Commission from proceeding under Minn. Stat. § 103B.251 or from otherwise proceeding under this Agreement for projects that will not be specially assessed under Minn. Stat., chap. 429.
- (b) Contract Administration. All improvement contracts will be duly supervised by the Member awarding the contract, provided, however, that the Commission shall be authorized to observe and review the work in progress and the Members agree to cooperate with the Commission staff in accomplishing the purposes of this

Commission. Representatives of the Commission shall also have the right to enter upon the place or places where any improvement work is in progress for the purpose of making reasonable tests and inspections. Commission staff shall report, advise, and recommend to the Board on the progress of said work.

5.5 Land Acquisition.

- (a) By Members. The Commission does not have the power to acquire real property, but shall have the authority to establish land acquisition policies as part of the Watershed Management Plan. The Members agree that any and all permanent easements or interests in land which are necessary for any project will be negotiated or condemned in accordance with all applicable laws by the Member wherein said lands are located, and each Member agrees to acquire the necessary easements or interests in such land upon order of the Commission to accomplish the purposes of this Agreement. All reasonable costs of said acquisition shall be considered as a cost of the respective improvement. If a Member determines it is in the best interests of that Member to acquire additional lands in conjunction with the taking of lands for the Commission-ordered improvement, or for some other purpose, the costs of said acquisition will not be included in the improvement costs of the ordered project. The Board in determining the allocation of the improvement costs may take into consideration the land use for which said additional lands are being acquired and may credit the acquiring Member for said land acquisition to the extent that it benefits the other Members of this Agreement. Any credits may be applied to the cost allocation of the improvement project under construction or the Board, if feasible and necessary, may defer said credits to a future project.
- (b) Alternative Acquisition. If any Member refuses to negotiate or condemn lands as ordered by the Board, any other Member may negotiate or condemn outside of its corporate limits in accordance with, and to the extent authorized by, applicable laws. All Members agree that they will not condemn or negotiate for land acquisition to pond or drain storm and surface waters within the corporate boundaries of another Member except upon order of the Board. The Commission shall have authority to establish land acquisition policies as a part of the overall Watershed Management Plan. The policies shall be designed to equalize costs of land throughout the Watershed.

5.6 CIP Project Funding.

- (a) Improvement Fund. The Board may, but is not required to, create an improvement fund for each CIP Project. Funds for the particular project shall be placed in and expended from the improvement fund created for the project.
- (b) Member Contributions.

- (i) Amounts. The Member responsible for constructing a CIP Project, together with any other identified benefiting Members, shall contribute toward the project such amounts as identified in the Board's resolution ordering the project and in accordance with the terms of the cooperative agreement entered into for the project. The Board will consider the benefits of the improvements to one or more subwatersheds in determining which Members are benefited by the CIP Project.
- (ii) Appeal. Any Member aggrieved by the determination of the allocation of Member contributions toward a CIP Project may appeal the Board's determination by filling a written appeal to the Board within 30 days of the date of the Board's resolution. The Board shall refer a timely appeal to a board of arbitration for a decision as provided herein. Failure of a Member to file an appeal within the 30-day appeal period shall be deemed to have consented to and agreed with the cost allocation as set out in the Board's resolution.
- (c) Commission Contributions. The Commission shall contribute toward the project such amounts as identified in the Board's resolution ordering the project and in accordance with the terms of the cooperative agreement entered into for the project. The contribution from the Commission may include grant funds it has received for the project. In such cases, the Board and the responsible Members enter into a subgrant agreement, which may be part of the cooperative agreement, setting out the obligations of the Member to ensure compliance with the grant requirements. The Commission's contribution is in addition to any amounts contributed by Members or other private or public entities. If the Commission's contribution is dependent on an amount to be levied by the County, the contribution is contingent on the Commission receiving such amount from the County.
- (d) Maintenance Fund. The Commission may establish a maintenance fund to be used for normal and routine maintenance of a work of improvement constructed in whole or part with money provided by Anoka County. As provided in Minn. Stat. § 103B.251, subd. 9, the Board may add, with the County's consent, to the amount it certifies to the County for collection on the taxes of all property located within the territory of the Watershed or a subwatershed unit an amount for a maintenance fund. The amount certified for the maintenance fund shall be distributed by the County to the Commission together with the other amounts levied for the Commission. Mailed notice of any hearing required by law related to the amount levied for the maintenance fund shall be sent to the clerk of each Member municipality at least 30 days prior to the hearing. The Commission shall deposit the proceeds of said maintenance levy in a separate maintenance and repair account to be used only for the purpose for which the levy was made.

5.7 Cost Allocation for CIP Projects. All capital costs incurred by the Commission shall be apportioned to the respective Members on any of the following bases.

- (a) County Levy. If the project is constructed and financed pursuant to Minn. Stat. § 103B.251, the Members understand and agree that said costs will be levied on all taxable property in the Watershed as set forth in said statute.
- (b) Negotiated Amount. A negotiated amount to be arrived at by the Members who have lands in the subdistrict responsible for the capital improvement.
- (c) Tax Capacity and/or Total Area.
 - (1) Fifty percent of all capital costs or the financing thereof shall be apportioned to each Member on the basis of the net tax capacity of each Member within the boundaries of the Watershed each year to the total net tax capacity in the Watershed.
 - (2) Fifty percent of all capital costs or the financing thereof shall be apportioned to each Member on the basis of the total area of each Member within the boundaries of the Watershed each year to the total area in the Watershed.
 - (3) Capital costs allocated under the 50% area/50% net tax capacity formula set forth above may be varied by a majority vote of the Commission if:
 - (i) any Member community receives a direct benefit from the capital improvement which benefit can be defined as a lateral as well as a trunk benefit, or
 - (ii) the capital improvement provides a direct benefit to one or more Members which benefit is so disproportionate as to require in a sense of fairness a modification in the 50/50 formula.
 - (4) Any credits due to a Member for lands acquired by said Member to pond or store storm and surface water as provided herein shall be allowed against costs due under this section.

5.8 Emergency Projects. The Commission may perform emergency projects in accordance with Minn. Stat. § 103B.252.

SECTION VI FINANCES

6.1 Generally.

- (a) Authority. The Commission funds may be expended by the Board in accordance with this Agreement and in accordance with the procedures as established by law and in the manner as may be determined by the Board.

- (b) Funds. The Commission shall have a general fund and may establish such other funds and accounts as it may determine are needed.
- (c) Disbursements. In no event shall there be a disbursement of Commission funds without the signature of at least two Board members, one of whom shall be the Treasurer or the Treasurer's authorized deputy.
- (d) Treasurer Bond. The Treasurer shall be required to file with the Secretary of the Board a bond in the sum of at least \$10,000 or such higher amount as shall be determined by the Board. The Commission shall pay the premium on said bond.
- (e) Depository. The Board shall designate one or more national or state bank or trust companies, authorized by Minn. Stat., chaps. 118 and 427, or such other law as may apply, to receive deposits of public moneys and to act as depositories for the Commission funds.

6.2 Commission's General Fund. The Commission's general fund is funded by an annual contribution from each Member and is used to pay for general administration purposes including, but not limited to, salaries, rent, supplies, development of the Watershed Management Plan, engineering and legal expenses, insurance, and bonds, and to purchase and maintain any personal property deemed necessary by the Commission in furtherance of its purposes and powers as articulated in this Agreement. Said funds may also be used for normal maintenance of any facilities, but any extraordinary maintenance or repair expense shall be treated as an improvement cost and processed in accordance with the provisions for CIP Project funding under this Agreement. The annual contribution by each Member shall be based fifty percent (50%) on the net tax capacity of all property within the Watershed and fifty percent (50%) on the basis of the total area of each Member within the boundaries of the Watershed each year to the total area in the Watershed.

6.3 Operating Budget. The Board shall annually prepare, adopt, and submit an annual operating budget as provided in this section.

- (a) Adoption. On or before July 1 of each year, the Board shall adopt a detailed budget for the ensuing year and decide upon the total amount necessary for the Commission's general fund. Budget approval shall require a favorable vote by a majority of all eligible votes of the then existing Commissioners.
- (b) Funding. The Commission's annual operating budget is funded by an annual assessment placed on the Members, subject to certain caps, as provided herein.
- (c) Caps on Member Assessments. The amount annually assessed each Member to fund the operating budget shall not exceed the following caps, unless authorized as provided herein.

- (1) Percentage Cap. The amount to be assessed Members under the operating budget shall not exceed 120% of the amount assessed Members under the previous year's budget, unless the City Council of each Member adopts a resolution approving the increase.
 - (2) Tax Capacity Cap. The amount of a Member's annual contribution to the operating budget shall not exceed one-half of one percent of the net tax capacity of the Member's total area located within the Watershed, unless the City Council of that Member adopts a resolution approving the increase.
- (d) Budget Certified to Members. On or before July 1st, the Secretary or the Commission Administrator shall certify the operating budget to the clerk of each Member, together with a statement of the proportion of the budget to be assessed and paid by each Member. If the proposed operating budget results in any of the caps established herein being exceeded, the budget sent to the Members for review must be accompanied by a letter clearly notifying the Members of the cap being exceeded, the reasons for the proposed exceedance, and the Member approval required to approve the proposed budget. If the approvals required herein to exceed the cap are not obtained, the total budget or assessment amount shall not exceed the capped amount.
- (e) Member Review. The City Council of each Member agrees to review the proposed budget provided by the Commission. If any Member has any objections, they must submit them in writing to the Board prior to August 1. Upon the receipt of any such written objections, the Board shall set a date to hear the Member's objections and shall provide all Members notice of the hearing and a copy of the written objections. After hearing the objections, the Board may modify, amend, or affirm the proposed budget by majority of all eligible votes of the then existing Commissioners.
- (f) Finalized. The proposed operating budget shall be considered final if no Member files an objection by August 1st. If a timely objection is received, the Board shall act to finalize the operating budget after conducting a hearing on the objections. The Board shall provide a copy of the final operating budget to each Member. If there are objections, the Board shall include its findings and decision regarding such objections with the final operating budget.

6.4 Supplemental Budget.

- (a) Insufficient Funds. If the Board determines it will not have sufficient funds in the Commission's general fund to pay its obligations or to otherwise fund Commission operations in the present year, the Board may adopt a supplemental budget to raise additional funds as provided herein.

- (b) Public Hearing. The Board shall call a public hearing on the proposed supplemental budget and provide at least 10 days' written notice of the hearing, together with a copy of the proposed supplemental budget, to each Member.
 - (c) Adoption. After conducting the public hearing, the Board may adopt the supplemental budget by a favorable vote of a majority of all eligible votes of the then existing Commissioners. The Board shall notify each Member of the adopted supplemental budget and the amount of additional assessment.
 - (d) Cap. In no case shall the budget require any Member to contribute in excess of one-half of one percent of the net tax capacity of all taxable property within the Watershed and within the Member's corporate boundaries in any one calendar year.
 - (e) Additional Assessment. Members agree to pay their additional assessment to the Commission within 60 days of adoption of the supplemental budget.
- 6.5 Default. Any Member who is more than 60 days in default in contributing its share to the operating budget or to a CIP Project shall have the vote of its Commissioner suspended pending the payment of its proportionate share. Any Commissioner whose vote is under suspension shall not be considered for the purposes of determining a quorum or for determining the sufficiency of a vote.

SECTION VII TERMINATION AND DISSOLUTION

- 7.1 Termination. This Agreement may be terminated prior to January 1, 2035 by the unanimous consent of the Members. If the Agreement is to be terminated, a notice of the intent to dissolve the Commission shall be sent to the Board of Water and Soil Resources and to Anoka County at least 90 days prior to the date of dissolution.
- 7.2 Dissolution. In addition to the manner provided herein for terminating this Agreement, any Member may petition the Board to dissolve the Agreement. Upon 90 days notice in writing to the clerk of each Member governmental unit and to the Board of Water and Soil Resources and to Anoka County, the Board shall hold a hearing and upon a favorable vote by a majority of all eligible votes of then existing Commissioners, the Board may by Resolution recommend that the Commission be dissolved. Said Resolution shall be submitted to each Member governmental unit and if ratified by a majority of the City Councils of all eligible Members within 60 days, said Board shall dissolve the Commission allowing a reasonable time to complete work in progress and to dispose of personal property owned by the Commission.
- 7.3 Distribution of Assets. If this Agreement is terminated and not replaced with a new agreement providing for the continued operation of the Commission, or if the Commission is dissolved, all property of the Commission shall be sold and the proceeds thereof, together with monies on hand, shall be distributed to the eligible Members of the

Commission. Such distribution of Commission assets shall be made in proportion to the total contribution to the Commission as required by the last annual budget.

SECTION VIII MISCELLANEOUS PROVISIONS

- 8.1 General Appeal. Any Member aggrieved by a determination of the Board shall have 30 days after the Board's determination within which to file a written appeal to the Board. The Board shall refer a timely appeal to a board of arbitration for a decision as provided below. Failure of a Member to file an appeal within the 30-day appeal period shall be deemed to have consented to the Board's determination.
- 8.2 Board of Arbitration. Any matter appealed by a Member pursuant to this Agreement shall be decided by a board of arbitration. The board of arbitration shall consist of three persons; one to be appointed by the Board, one to be appointed by the appealing Member, and the third to be appointed by the two so selected. In the event the two persons so selected do not appoint the third person within 15 days after their appointment, then the Chief Judge of the District Court of Anoka County shall have jurisdiction to appoint, upon application of either or both of the two earlier selected, the third person to the board of arbitration. The third person selected shall not be a resident of any City and if appointed by the Chief Judge said person shall be a registered professional engineer. The arbitrators' expenses and fees, together with the other expenses, not including counsel fees, incurred in the conduct of the arbitration shall be divided equally between the Commission and the appealing Member. Arbitration shall be conducted in accordance with the Uniform Arbitration Act, Minn. Stat., chap. 572B. Arbitration shall be non-binding unless the Commission and the appealing Member agree to binding arbitration. If the parties agree to binding arbitration the decision of the board of arbitration shall be final and the parties to the arbitration will be deemed to have consented to and agreed with the decision. If these parties do not agree to binding arbitration, any party that does not agree with and consent to the decision of the board of arbitration must notify the Board in writing within 30 days of receipt of the decision of the board of arbitration that it does not consent to or agree with the decision. Failure to so notify the Board shall be deemed consent to and agreement with the decision of the board of arbitration. Unless the parties agree with the decision of the board of arbitration, capital improvements can only be funded in accordance with Minn. Stat. § 103B.251, or secured from other sources.
- 8.3 Term. This Agreement shall be effective as of January 1, 2025 and shall remain in effect until January 1, 2035, unless terminated earlier as provided herein. The Members may agree to continue this Agreement as the preferred method for addressing their obligation to address surface water issues under law.
- 8.4 Mediation. Except for appeals submitted to a board of arbitration as discussed above, the Members agree that any controversy that cannot be resolved between Members shall be submitted to mediation. Mediation shall be conducted by a mutually agreeable process by all Members. If the Members are not able to mutually agree on a mediator, the party and the Board shall each select a mediator and the two mediators shall select a third.

Each party to the mediation shall be responsible for the cost of the mediator it selected and shall share equally in the costs of the mediation and of the third mediator.

- 8.5 Data Practices. The Commission shall comply with the requirements of Minnesota Statutes, chapter 13, the Minnesota Government Data Practices Act (“Act”). Any entity with which the Commission contracts is required to comply with the Act as provided in Minnesota Statutes, section 13.05. The contractor shall be required to notify the Board if it receives a data request and to work with the Commission to respond to it.
- 8.6 Amendments. The Board may recommend changes and amendments to this Agreement to the governing bodies of the Members. No amendment is effective unless it is adopted by all governing bodies of the Members. Adopted amendments shall be evidenced by appropriate resolutions or certified copies of meeting minutes of the governing bodies of each party filed with the Board and shall, if no effective date is contained in the amendment, become effective as of the date all such filings have been completed.
- 8.7 Waiver. The delay or failure of any party of this Agreement at any time to require performance or compliance by any other party of any of its obligations under this Agreement shall in no way be deemed a waiver of those rights to require such performance or compliance.
- 8.8 Headings and Captions. The headings and captions of these paragraphs and sections of this Agreement are included for convenience or reference only and shall not constitute a part hereof.
- 8.9 Entire Agreement. This Agreement, including the recitals and the official boundary map (which are incorporated in and made part of this Agreement), contains the entire understanding among the Members concerning the subject matter hereof. This Agreement supersedes and replaces the prior joint powers agreement among the Members regarding the Commission and such prior agreement is hereby terminated. Any outstanding obligations of the Members under the prior agreement are not affected by the termination and shall be continued under this Agreement.
- 8.10 Examination of Books. Pursuant to Minnesota Statutes, section 16C.05, subdivision 5, the books, records, documents, and accounting procedures and practices of the Board are subject to examination by the State.
- 8.11 Governing Law. The respective rights, obligations, and remedies of the Members under this Agreement and the interpretation thereof shall be governed by the laws of the State of Minnesota which pertain to agreements made and to be performed in the State of Minnesota.
- 8.12 Counterparts. This Agreement shall be executed in several counterparts and all so executed shall constitute one Agreement, binding on all of the Members hereto. Each party to the agreement shall receive a fully executed copy of the entire document following adoption by all Members.

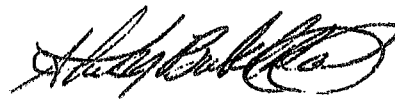

- 8.13 Enforcement. Members agree to be bound by the determination of the Commission and to agree to use their best efforts to carry out directives from the Commission; failure to respond may result in a legal action by the Commission to require the Member to act under a court order.
- 8.14 Notice. To the extent this Agreement requires a notice to be mailed to a Member, the notice requirement may be satisfied by the Commission emailing the notice to its primary contact for the Member.
- 8.15 Statutory References. All references to statutes in this Agreement include any amendments made thereto and any successor provisions.

IN WITNESS WHEREOF, the Members have entered into this Agreement by action of their respective governing bodies effective as of the date of the last Member to execute it.
